

Students who have acquired medical degrees from Cuba or Bangladesh under an old Government of Pakistan scholarship program shall be processed for licensing in the following categories and manner;

Category I

A Cuba/Bangladesh graduate who has not done a house job in Cuba/Bangladesh, irrespective of having qualified NEB or not, shall be granted a Provisional License to do a house job. After completion of their house job, the graduate may apply for their Full License upon qualifying the NLE.

Category II

A Cuba/Bangladesh graduate who has passed their NEB Step III, and completed their house job in Cuba/Bangladesh, shall be granted a Full License to practice in Pakistan upon verification of their house job from the Cuban/Bangladeshi government authority.

Category III

A Cuba/Bangladesh graduate who has not passed their NEB Step III, but completed their house job in Cuba/Bangladesh, shall be granted a Full License to practice in Pakistan upon verification of their house job from the Cuban/Bangladeshi government authority, and upon qualifying the NLE in Pakistan.
